

Privacy Statement - www.frontietworks.com.au

This Privacy Policy governs the manner in which Frontier Networks collects, uses, stores, archives and discloses information collected from users (each, a "User") of this Web site.

Privacy: Users' privacy is very important to Frontier Networks. Frontier Networks is committed to safeguarding the information Users entrust to Frontier Networks. If any User is under the age of 18, that User should not submit any information without the permission of that User's parents.

The information we collect: Frontier Networks may collect personally-identifiable information from Users through applications on the Web site that allow the User to request contact with Frontier Networks personnel on topics of interest. Except for such applications, Frontier Networks does not collect personally-identifiable information from Users through this Web site. Frontier Networks may collect aggregated, anonymous data about Users, including, for example, the number of unique views received by the Web site, the domains from which such Users originate, and similar information that does not identify any particular User.

About Cookies: Some Web sites use "cookies" to track their users. A cookie is a piece of software that a web server can store on your PC and retrieve later. This Web site does not plant cookies in the PCs of its users.

Use of information: If a User submits personally-identifiable information, Frontier Networks may use that information to contact the User regarding Frontier Networks or Frontier Networks partners' products and services. Frontier Networks will not use such personally-identifiable information for any other purpose. Frontier Networks uses aggregated, anonymous data for research regarding the effectiveness of the Web site and Frontier Networks' marketing, advertising and sales efforts. Frontier Networks does not use such anonymous information for any other purpose.

Access to this information: We do not disclose personally-identifiable information to third parties, other than subcontractors who are acting on our behalf and who are subject to appropriate confidentiality safeguards. We may disclose aggregated, anonymous data to investors and potential partners. Storage of information: All information collected from Users of this Web site is stored on secured media at Frontier Networks' premises. We use industry standard security measures to protect any personal information you may provide to us. However, we cannot guarantee that your submissions to our Web site, any content residing on our servers, or any transmissions from our server will be completely secure.

Questions: Users may direct questions concerning this Privacy Policy by email to support@frontietworks.com.au

Frontier Networks reserves the right to modify this Privacy Policy at any time. This Privacy Policy was last revised in December, 2012.
